# PLACE COMMAND

AwokenK9.com

## USES FOR THE PLACE command

### GUEST VISITING

When guest are visiting your house the place command is a good way of teaching your dog of going to a specific location like there bed and staying in one location while guest arrive

### EATING AT THE TABLE

The place command is great when you dont want your dog to beg and stare at you or your guest when your eating.

### IMPULSE AND CALMNESS

The place command is great for building your dog's impulse control and teaching your dog he doesn't have to be the center of everything.

## GUIDELINES MOVING FORWARD

- **Start teaching in a distraction free environment**
- **Before teaching anything make sure you have your dogs attention**

## HOW TO:

### LURING

Lure your dog onto the pet bed, the moment that all four of your dog's paws are on the pet bed use your release word and reward your dog off of the pet bed.

### WHEN TO ADD NAME TO BEHAVIOR

Once your dog is anticipating you luring him onto the pet bed you are ready to move on to naming the behavior

### FINEPOINTS

- Reward off of the pet bed
- have your dog following the lure closely
